## FOR THE WHAT IF IN LIFE

When you're enjoying the great outdoors, the last thing you want to worry about is unexpected damage to your boat.

Guaranteed Asset Protection (GAP) offers protection in the event your boat is declared a total loss. GAP gives you peace of mind and eliminates the financial strain by filling the gap between the value of your boat and what you owe on your finance contract.<sup>1</sup>

GAP may waive or pay the deficiency balance (minus certain fees and charges<sup>2</sup>) between the amount still due on your finance contract and your insurance settlement.

Ask your Sales Consultant about the advantages of Guaranteed Asset Protection and other Bass Pro Shops Financial Services Protection Products.
